## ***IMPORTANT NOTICE REGARDING MOTOR VEHICLE ACCIDENT COORDINATION OF BENEFITS***

TO: All Eligible Participants of the Michigan Laborers' Health Care Fund

RE: **MICHIGAN LABORERS' HEALTH CARE FUND**

Dear Plan Participant:

If you or an eligible dependent are involved in a motor vehicle accident, the Fund will not pay for services related to an injury which is a direct or indirect result of an automobile accident. This applies whether or not you have no-fault automobile insurance. It is important that you discuss this with your auto insurance company.

To make certain that you have health care coverage if you have a vehicular accident/incident, you should check with your automobile insurance agent and/or insurance carrier to make sure that you are covered under your automobile policy "first and complete" for any claim arising out of a vehicular related accident or incident. You should make it perfectly clear to your agent or carrier that the Fund excludes such coverage from its Schedule of Benefits thus it is imperative that your policy has the proper coverage to protect you and your dependents.

The following provisions summarize Plan certificates regarding motor vehicles and motorcycle accidents:

**A. Motor Vehicle Accident**

Under the Comprehensive Health Care Certificate Series CMM ASC (Form Number 452F) with Rider NFAX-2 ASC (form Number 463G), BCBSM is excluded from responsibility for any services related to an injury that is a direct or indirect result of a motor vehicle accident.

**B. Motor Cycle Accident (Non-Motor Vehicle Accident)**

Under this modification, the group health plan will be secondary to motorcycle insurance when services are provided to treat an injury or condition that is a result of a motorcycle accident that is not a motor vehicle accident when the Member carries or is required to carry motorcycle insurance, regardless of whether a helmet was worn by the driver and/or passenger. In no event will benefits be covered for an injury or condition of a Member who rides without a helmet and is injured in a non-motor vehicle accident until after the first \$20,000 of expenses is paid by the motorcycle insurance carrier with respect to Member riders who are required by Michigan Public Act 98 to carry motorcycle insurance.

If such Member does not carry required insurance and the Member is injured while riding a motorcycle in an accident that is not a motor vehicle accident, then the Member's claims arising out of that accident are completely excluded. Payments for services to any provider made prior to discovery by BCBSM or the group health plan that the services arose as a result of the Member's injury in a motorcycle accident that is not a motor vehicle accident for which insurance is carried or required to be carried will be recovered from the provider(s). Payment for these services would then become the Member's responsibility or the responsibility of the Member's motorcycle insurance carrier.

Sincerely,

Board of Trustees  
Michigan Laborers' Health Care Fund

## **IMPORTANT NOTICE FROM MICHIGAN LABORERS' HEALTH CARE FUND ABOUT YOUR PRESCRIPTION DRUG COVERAGE AND MEDICARE**

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with the Michigan Laborers' Health Care Fund and about your option under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

These are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
  2. The Michigan Laborers' Health Care Fund has determined that the prescription drug coverage offered by the Fund is, on average for all plan participants, expected to pay out as much as the standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.
- 

### **WHEN CAN YOU JOIN A MEDICARE DRUG PLAN?**

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15<sup>th</sup> through December 7<sup>th</sup>.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

### **WHAT HAPPENS TO YOUR CURRENT COVERAGE IF YOU DECIDE TO JOIN A MEDICARE DRUG PLAN?**

If you decide to enroll in a prescription drug plan and drop the Plan's prescription drug coverage, be aware that you will not be able to get this coverage back.

If you do decide to join a Medicare drug plan and drop your current Michigan Laborers' Health Care Fund coverage, be aware that you and your dependents will not be able to get this coverage back.

---

**WHEN WILL YOU PAY A HIGHER PREMIUM (PENALTY) TO JOIN A MEDICARE DRUG PLAN?**

You should also know that if you drop or lose your current coverage with the Michigan Laborers' Health Care Fund and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

**FOR MORE INFORMATION ABOUT THIS NOTICE OR YOUR CURRENT PRESCRIPTION DRUG COVERAGE...**

Contact the Fund Office at (877) 645-2267 for further information. Note: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Michigan Laborers' Health Care Fund changes. You also may request a copy of this notice at any time.

**FOR MORE INFORMATION ABOUT YOUR OPTIONS UNDER MEDICARE PRESCRIPTION DRUG COVERAGE...**

More information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit [www.medicare.gov](http://www.medicare.gov)
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help.
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at [www.socialsecurity.gov](http://www.socialsecurity.gov). or call them at 1-800-772-1213 (TTY 1-800-325-0778).

TO: PLAN PARTICIPANTS OF THE MICHIGAN LABORERS' HEALTH CARE FUND

RE: **WOMEN'S HEALTH AND CANCER RIGHTS**

Dear Plan Participant:

The Trustees of your Health and Welfare Fund are issuing this annual notice in compliance with the Women's Health and Cancer Rights Act of 1998. Your Health and Welfare Plan already provides the benefits required by this law. You have a right to this notice, and the Trustees are providing the notice for your information so that you may be assured that you are treated in accordance with federal law if the need arises.

The federal law requires that all health care plans that provide medical and surgical benefits for mastectomies provide, participants and beneficiaries receiving mastectomy benefits and who elect mastectomy related breast reconstruction with coverage for the following:

- **Reconstruction of the breast on which the mastectomy has been performed;**
- **Surgery and reconstruction of the other breast to produce a symmetrical appearance; and**
- **Prostheses and treatment of physical complications of all stages of mastectomy including lymphedema; in a manner determined in consultation with the attending physician and the patient. Such coverage may be subject to annual deductibles and coinsurance provisions as may be deemed appropriate and as are consistent with those established for other benefits under the plan or coverage.**

The Fund has provided coverage for mastectomies for a number of years. As part of this coverage, the Plan also covered the procedures necessary to effect reconstruction of the breast on which the mastectomy was performed, as well as the cost of prostheses and treatment of physical complications of all stages of mastectomy, including lymphedema, as recommended by the attending physician of any patient receiving Plan benefits in connection with the mastectomy and in consultation with the patient. The Plan also covers any surgery and reconstruction of the other breast to achieve a symmetrical appearance.

Please keep this notice with your Summary Plan Description. If you have any questions regarding these federal requirements, please contact the Fund Office.

Sincerely,

Board of Trustees  
Michigan Laborers' Health Care Fund

### Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call **1-866-444-EBSA (3272)**.

**If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2020. Contact your State for more information on eligibility**
